

Supporting communities where all people can live, age and thrive.

About

Dementia Friendly Iowa promotes change and education in communities to create a more informed, safe, and respectful place for people living with dementia and their caregivers. Community initiatives are driven by volunteer action teams ***including people with dementia***.

This movement is part of Dementia Friendly America and is locally supported by:

Two initiatives joining forces for positive changes

Dementia Friends

- Anyone can become a Dementia Friend by attending a free informational session.
- Increase your understanding, challenge stigmas, connect to local resources, and engage in community support.

Dementia Friendly Communities

- Promote change and education at the community level
- Trainings include specialized dementia friendly business content as well as memory cafes and support groups.
- Community initiatives are driven by volunteer action teams.
