## Iowa Cafe Update:

*Your contributions are crucial in keeping this vital program going.*

### What is the Iowa Cafe program?

- It is so much more than a meal!
- The Iowa Café is a program from NEI3A that helps those who are 60 years of age or older to socialize and eat better while supporting locally owned businesses.
- Contrary to popular belief, the meals provided are **NOT FREE**.

### How does it work?

- Present your key card and order from the Café menu.
- Only 1 scan per day - 6 times per month. May be subject to change.
- You will be mailed a monthly statement showing the value of the meals you received with an opportunity to contribute back to the program.

### How are the meals paid for?

- NEI3A reimburses the restaurant for the meals they serve you.
- Funding for this program is limited. We depend on your contributions to help sustain the program.
- **Every dollar helps! While not required, a \$3.00 per meal contribution is suggested.**
- Your tip to the server is not a contribution towards the meal.
